Appointment required

Students under 18 are required to have a parent or guardian with them the day of the clinic.

Sports physicals

Student athletes entering grades seven through 12 receive a WIAA sports physical by a medical provider and an assessment by a Rehabilitation Services staff member. Physicals cost \$35 on these dates only, and payment is required on date of service.

If athletes are unable to attend on any of these dates or their insurance requires a different type of exam, athletes can schedule an appointment on another date at the regular physical exam rate.

Immunizations

While getting a sports physical, students also can update their immunizations. Mayo Clinic Health System will give chickenpox, HPV, meningococcal and Tdap vaccinations. Immunizations are an additional cost.
